2023/24 Child Care Fee Schedule**

**Effective: September 2023**

**HWCCCC has opted-in to the Canada-Wide Early Learning & Child Care (CWELCC).**

Base fees are mandatory fees charged to all parents that are required for a child to attend a HWCCCC program; which includes a registration fee. Non-base fees include additional charges such as late fees and bank service charges; and therefore, these will not be subject to further reductions under CWELCC. Actively registered families had their base child care fees reduced by 25% on November 28, 2022, and will additionally be reduced by another 37% on January 1<sup>st</sup>, 2023. This represents a total reduction of up to 52.75% of our base fees. No fees can be reduced to less than \$12.00/day at any time.

The chart below provides a summary of the new rates that will come into effect as part of Phase 2 of this multi-phased, multi-year program.

Please note, these rates only apply to Infant, Toddler, Preschool and Kindergarten children.
