### Principals Report

Mr. Lenjosek presented the Catholic School Council Members with the latest Principal Profile that had been completed in 2013 (prior to his arrival).

One of the requirements of the Catholic School Council is to update the Principal Profile for the qualities and considerations of the next principal here at Immaculate Heart of Mary CES. Mr. Lenjosek informed the council that he has had the privilege being the principal of this wonderful school community for the last 3 years and as he enters his 34<sup>th</sup> year in education, he felt that it be important that this school community reflects on the qualities that they would like to see in the future principal when the time comes. The principal profile assists the HWCDSB in placing principals at the various schools.

Parent Council discussed and filled out the Principals Profile Summary. Absent council members will have the opportunity to look over and contribute ideas/concerns.
